## EXEAT POLICY (INFORMATION FOR PARENTS)

### *Years 7 and 8 (Stamp House)*

Stamp House have two Exeat weekends per term when the House is closed and all girls must leave for the weekend. The House will close at 18:00 on the Friday evening and reopen at 18:00 on the Sunday evening.

### *Girls in Years 9 and above*

For Year 9 and above, there are two Exeat weekends in the summer term only. All other weekends are flexi weekends, barring the two Exeats in the summer term. For these two weekends, the school will be closed to all pupils. The Houses will close at 18:00 on the Friday evening and reopen at 18:00 on the Sunday evening.

Exeat weekends are published in advance and can be found in the school calendar.

It is essential that all overseas pupils have an educational guardian whilst at Queenswood in case of an emergency and for somewhere to stay during Exeat weekends.
