

### Example of Verbal Reasoning Questions

1. Underline the one word in brackets which CANNOT be made by rearranging some of the letters of the word CROSSWORD  
(sow, doors, rows, seed, sorrow)

2. This question makes use of a code. Underline the correct word in the bracket.  
If MHSU stands for “date”, UHS stands for (art / eat / ate / east / tea)

3. Look at this example – the letters of one word have been jumbled up:

OKBO is something that you read (BOOK)

The letters of OKBO are just the letters of “Book” in another order, so we have written “BOOK” in the brackets. Now do this one in the same way. Write the proper word in the brackets:

STEN is a place that a bird lays its eggs ( \_ \_ \_ \_ )

4. Complete the following sentences by underlining the TWO words in each bracket that make the best sense.
- a. Dig is to (cut/spade/tool) as (rake/cut/garden) is to scissors.
  - b. (Fin/shoal/fish) is to swim as bird is to (wing/fly/fish)
  - c. Diamonds are to (mine/sparkle/black) as (water/wine/coal) is to well.
