The European Health Insurance Card (EHIC) is the replacement for the E111 for persons resident within the UK. E111s are no longer valid. The EHIC can be used to cover any necessary medical treatment due to either an accident or illness within the European Economic Area (EEA). You can apply for a card either online www.ehic.org.uk (application processed within 7 working days), by telephone 0845 606 2030 (application processed within 10 working days) or at the Post Office (application processed within 21 working days). Non-EEA nationals can only apply by post as they need to provide further documentation that supports the application. An application form can be obtained from the Post Office.
