

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss

Reading for pleasure is really important. Not only will it improve your vocabulary, your understanding of language, it will also give you an empathy with the world both real and fantasy. It is a great way of relaxing.

Below is a small selection of the amazing books available.

If reading is tricky for you why not download an audio book instead.
